Award

TO OUR VALUED PRINCIPALS AND CUSTOMERS

It is with great pleasure and honor to share with you, that Klass Ingredients has been selected as a finalist for the Buffalo Niagara Business Ethics Award in its category.

We are very proud to be considered for this prestigious award in recognition of our strong commitment to managing our business in an ethical and professional manner. Klass Ingredients was founded on these principals and values and will continue to build our business in the same manner.

It is also an honor that we were nominated for this award by Mr. Scott Bieler, President of West Herr Automotive Group. West Herr is the largest automotive group in New York State, and was also the recipient of the 2009 Ethics Award in its category.

The award ceremony and luncheon will be held on Thursday, May 6th. In order for our staff, which is the core foundation of Klass Ingredients, to attend this event, we will be closing our office from 11:30 AM to 3:00 PM.

Whether we come home with this award or not, all of us at Klass Ingredients feel that we are already winners in being chosen to participate in this event.

Our thanks to you all for your continued support and trust!

Sincerely,

Klass Ingredients, Inc.
